

FOR IMMEDIATE RELEASE:

TS Racing expands their engine department with the addition of Victor Peters.

Bushnell, Fla - October 14, 2008 – TS Racing announced today that they are expanding their 4 cycle engine department. Victor Peters will be closing VP Motorsports and joining the TS Racing team in Bushnell, FL.

Victor Peters has been a very successful 4 cycle engine builder under the banner of VP Motorsports in Brooksville, FL. Victor comes to TS Racing with 28 years of racing experience. VP Motorsports is currently in the process of transferring its equipment and tooling to the TS Racing facility in Bushnell, FL. "I am happy to be joining the TS Racing team. I feel this move will give my customers better service plus the resources for one stop shopping" stated Victor.

In addition to world class 2 & 4 cycle engine set up, TS Racing now offers complete tire services including; mounting, prepping, balancing and cutting. The expanded service department also offers clutch rebuilding and blueprinting along with complete chassis alignment, scaling and set up.

Tod Spaude, president of TS Racing stated, "Adding Victor to our engine department allows us to provide the 4 cycle community with top quality engines from an experienced builder. With the addition of track engine support to our new trackside parts trailers, TS Racing can now provide complete service to our 4 cycle customers."

About TS Racing
